[Despatch Abstract.]

Procurement - Paddy and rice - Levy of administrative surcharge - Amendment to G.O. Ms. No. 283, Food, dated 22.3.1949 - Issued.

GOVERNMENT OF MADRAS
Food Department.

Memorandum No. 19066/A/49-4 dated 3rd September 1949.

Sub:- Procurement - Paddy and Rice - Levy of administrative Surcharge - Amendment to G.O. Ms. No. 283, Food, dated 22.3.1949 - Issued.

Ref:- G.O. Ms. No. 283, Food, dated 22.3.1949.
Government Memorandum No. 19066-A/49-2, Food, dated 15.6.49
Government Memorandum No. 19066/A/49-3, Food, dated 2.7.1949.
Board's Rference No. 1389/U.V.49/CS. dated 14.7.1949.

In the Government Order first cited, the Government ordered that an administrative charge of annas 5 per maund should be collected on all stocks of grains procured and distributed both on Government and non-Government account through the Government agency. It has however since been represant to them that it would be unfair to levy the same administrative charge on both paddy and rice and that the rate for paddy should be suitably reduced. The Government agree with this representation and accordingly direct that the administrativ surcharge to be levied on paddy should be annas three and a half per maund. The administrative surcharge on other foodgrains will be annas five per maund as already ordered.

2. The Government approve of the proposal of the Board of Revenue (Civil Supplies) in its reference last cited to collect the administrative surcharge at the time of sale on the actual quantity sold instead of at the stage of purchase by the procuring agents in each months as directed in the Government Memorandum dated 15.6.1949 second cited above. The Board is requested to issue clear and detailed instructions to Collectors and submit a copy thereof to Government.

The Finance note above may be perused.

As the Memorandum at page 21 c.f. is an amendment to G.O. No. 283, Food, dated 22.3.1949, it seems more appropriate to add these papers to the G.O. It will also facilitate future reference. For orders whether this will be done.

A The current and note files of this file are too big to be simply added on to a disposed of G.O. This may therefore be recorded as a separate G.O. A copy of the order in this file may be filed with G.O. 283, Food, dated 22.3.1949 to facilitate future reference.
